Service 1 (Clerical check): A check of all clerical procedures which lead to us issuing a result. This includes making sure:

This service will include the following checks:

- all parts of the exam paper have been marked
- marks have been recorded/added up correctly
- special consideration has been applied (where appropriate)
- the grade boundaries have been applied accurately

Candidates' marks or grades can go up, down or stay the same.

Service 2 (Post-results review of marking): A check that our examiners have marked externally assessed components correctly. This includes:

- the clerical check (EAR1) service
- a review of marking of units/components by a senior examiner

Candidates' marks or grades can go up, down or stay the same.

Access to Scripts (ATSO) - This service allows you to request a copy of a marked exam paper to support teaching or learning. If the exam paper was marked electronically, it will be returned as an electronic PDF copy. All other exam papers will be returned in the post.

Once an exam paper has been returned it's not possible to request for a review of marking.

ENQUIRIES ABOUT RESULTS AND APPEALS

Candidate Consent Form

Information for candidates

The following information explains what may happen following an enquiry about a result and any subsequent appeal.

If your examination centre makes an enquiry about the result of one of your examinations after your subject grade has been issued, there are three possible outcomes:

- Your original mark is lowered, so your final grade may be lower than the original grade you received.
- Your original mark is confirmed as correct, and there is no change to your grade.
- Your original mark is raised, so your final grade may be higher than the original grade you received.

In order to proceed with the enquiry or appeal, you must sign the form below. This tells the Head of your Centre that you have understood what the outcome might be, and that you give your consent to the enquiry or appeal being made.
