1 Conduct of Examinations

- **STARTING TIMES OF EXAMINATIONS:** Each examination must be taken on the day and at the time as shown on the timetable. The published starting time of all examinations is **either 9.00 a.m. or 1.30 p.m.** Candidates with more than one examination in a session should take these consecutively. A supervised break may be given between consecutive examinations.
- Centres may start an examination earlier than, or later than, the published starting time for the session without prior approval from Edexcel. However, in order to maintain the security of the examination all candidates must start examinations scheduled for a morning session no earlier than 8.30 a.m. and by 9.30 a.m. and for an afternoon session no earlier than 1.00 p.m. and by 2.00 p.m., except where arrangements have been made for dealing with timetable clashes. No other departure from the timetable is permitted without the prior written approval of Edexcel. Applications for such changes must be received by 25 April 2014. Examination centres should refer to the JCQ publication 'Instructions for Conducting Examinations' in the first instance.
- Candidates who take an examination earlier than the published starting time shown on the timetable must remain under centre supervision until one hour after the published starting time for that examination.
- Candidates who take an examination later than the published starting time shown on the timetable must remain under centre supervision from 30 minutes after the published starting time for the paper concerned until the time when those candidates begin their examination.
- When a change is made to the published starting time for an examination it is the responsibility of the centre to inform all candidates affected by the alteration.

Subject specific notes

- 2 If coursework for **GCE Art Units 1 and 3** is to be sent to Edexcel for moderation it must be submitted no later than 3 June 2014. If work is to be moderated at the centre, it must be available for moderation during the period 1 May 2014 to 27 June 2014.

- 3 The papers for **GCE Art Units 2 and 4** should be given to the teacher-examiner for reference as soon as they are received in the centre in order to prepare for the preparatory supporting studies. However, the date chosen for the eight hour (AS) or twelve hour (A2) test must allow sufficient time for the work to be ready for external moderation between 1 May 2014 and 27 June 2014. If the work is to be sent to Edexcel for moderation it must be submitted no later than 3 June 2014.

- 4 All units for **GCE in Applied Art and Design** are moderated by means of a centre visit from an Edexcel moderator. External assessment for GCE in Applied Art and Design is through the following means:

Assessment will be carried out by centre assessors and externally moderated by means of a centre visit. There are no time restrictions or set hours in which the projects must be carried out. - 18** GCE French, German, Italian, Russian, Spanish, Urdu and Chinese Unit 2 – centres with larger cohorts (e.g. 30+ candidates) wishing to maximise use of their language laboratory facilities by arranging for groups of candidates to undertake the Unit 2 listening element at different times are free to do so, as long as they adhere to the following conditions:

- Each group using the language laboratory for the listening assessment should be allocated the same time (45 minutes) for this section of the examination. Candidates should be free to move on to the other sections of the paper (reading and writing) in the language laboratory if they so wish.
- All papers should be taken in by the invigilators at the end of the 45 minutes and then re-distributed to candidates once they have been escorted to another examination room.
- Candidates should not re-start their Unit 2 assessment until instructed to do so; but upon commencement candidates must be allocated the remaining time (1 hour 45 minutes).
- Candidates should be “quarantined” to ensure that they cannot talk to each other about the content of any aspect of the Unit 2 assessment.
- To facilitate assessment of the listening element centres are advised that as another alternative to candidates using individual CD listening devices, centres are also able to download secure sound files to MP3 players.
